Hey John, I am planning on skipping the meeting at NEIC this morning to deal with Gold King response issues. I was updated by Dave C yesterday and I will call you this morning to discuss our course of action.

Subject: Co-Location Phasing Strategy Meeting

Hey John, I have a co-location phasing strategy meeting at NEIC from 9-12 on Monday (8/17). The schedule could easily change based on how things are going with Animas but just an fyi.
